Provided that in a case where two or more sons or wards of a parent or guardian are simultaneously undergoing train-

(iii) Subsequent training in ships and establishments of the Indian Navy is also at the expense of the Government. During the first six months of their training after leaving the Academy, financial concession similar to those admissible at the Academy *vide* sub para (ii) above will be extended to them. (v) During the period of training, Service Cadets may receive pay and allowances of the substantive rank held by them as a sailor or as a boy or as an apprentice at the time of selection as cadets. If the pay and allowances of their substantive rank be less than the financial assistance admissible to direct cadets, and provided they are eligible for such assistance, they will also receive the difference between the two amounts.

(vi) No cadet will normally be permitted to resign while under training. A cadet who is not considered suitable to complete the full course at the Indian Naval Ships and Establishment may, with the approval of the Government, be withdrawn from training and discharged. A service cadet under these circumstances may be reverted to his original appointment. A cadet thus discharged or reverted will not be eligible for re-admission to a subsequent course. Cases of cadets who are allowed to resign on compassionate grounds, may, however, be considered on merits.
